

MS Queensland

REGISTERED NURSE RESIDENTIAL SERVICES

- **Permanent Part Time & Casual roles**
- **Brand New supported accommodation located at Albany Creek**
- **Your chance to be part of a team of like-minded individuals making life better for people living with progressive neurological diseases**
- **An opportunity to work for an organisation with strongly held values: Hope, Respect, Collaboration and Commitment**

MS Queensland is a non-profit organisation that is the first-choice for MS information, education, treatment, care and support across Queensland. We exist to help people living with MS and other progressive neurological diseases to get the best out of life; to advocate for change and to search for a cure.

We're excited that our new Albany Creek location has commenced operation. This site will be home for up to 11 people living in individual units who require varying degrees of support to live their lives as independently as possible. We are looking to engage a team of Registered Nurses on a permanent part-time basis to work alongside our team of Disability Support Workers in our Residential Services team. The hours of work would be spread across two shifts predominantly being 6am – 2pm and 1:45 – 10pm with some flexibility to meet extraordinary needs of our customers.

- Our Registered Nurses will assist our customers with their clinical care needs as well as enhancing the quality of care provided by the support team. We are looking for people with the following skills and experience, which are essential to fulfil the role:-
- Current registration with AHPRA as a Registered Nurse combined with highly developed clinical skills
- Ability to work efficiently, compassionately and independently with customers
- Demonstrated ability to work effectively in a team environment
- Well-developed written and verbal communication skills
- Sound computer skills that will enable comprehensive report writing for each customer
- Current first aid and CPR certificate

Recognising that our employees are integral to the success of our organisation, we offer a range of professional development opportunities, workplace benefits and salary packaging options as well as easy access to street parking.

To apply, please forward your resume and covering letter addressing the above selection criteria to recruitment@msqld.org.au. For further information on the positions, please contact Cathy Hesse, Residential Services Manager on 07 3840 0859.
