

## Occupational Therapist

For the past 60 years, MS Queensland has provided information, care and support to Queenslanders diagnosed with MS, and more recently, other chronic progressive neurological diseases (PND). Our experience, knowledge, understanding and heart make us the first choice to support people living with MS and other chronic, progressive neurological diseases.

Our Service Delivery team is a dedicated and passionate group of people who offer a wide range of service to people with MS and other PND. They are here to support our customers, their family, when and where they need it through their journey with MS/PND.

### About the ROLE

In our approach to provide a wide array of clinical support to our customers, we are now looking for an experience **Occupational Therapist** to join the Service Delivery team. Reporting the Executive General Manager – Service Delivery, you will provide quality, needs-based advice and treatment to people with Progressive Neurological Diseases and meeting NDIS participant needs.

### About YOU

To be successful, you will have strong experience working with NDIS participants in disability services in a community setting. Your dynamic and inclusive approach to customer service will ensure a good start in the role. Additionally, you will demonstrate the following experience and skills:-

- Bachelor of Applied Science (Occupational Therapy), or an equivalent qualification.
- Current AHPRA Registration.
- Experience appropriate to & NDIS registration for:
  - Customised Prosthetics experience relevant to the specific customised technology you wish to provide or assess Therapeutic Supports Experience in the profession and evidence of involvement in clinical supervision and professional development as required by the appropriate professional body.
- Experience in working within a client-centred, multi-disciplinary framework.
- Experience in the prescription of assistive equipment, suitable for the needs of people with PND participating in NDIS.
- Advanced written and verbal communication skills, including the ability to communicate with clients, their families, internal and external stakeholders including NDIA, the Service Delivery team and other hospital and community based health professionals.
- Demonstrated organisational ability in time and caseload management, meeting deadlines and productivity targets.
- Demonstrated ability to work autonomously, flexibly and conjointly with staff from other disciplines as part of a client focused multidisciplinary team.
- Evidence of a current driver's license and willingness to drive for work related activities.
- Level of physical capacity commensurate with the responsibilities and requirements of the position.
- Ability to understand and abide by the MS Queensland's Code of Conduct and other relevant policies and procedures.
- Ability to ascribe to MS Queensland's mission, goals and organisational values.

**To apply**, please forward your resume and a covering letter addressing the above selection criteria to [recruitment@msqld.org.au](mailto:recruitment@msqld.org.au). For further information on the position, please contact Karen Quaile, Executive General Manager – Service Delivery on 07 3840 0840.

**Application close: 9am on Friday, 9 August 2019**
